## Quilt Top Assembly Instructions:

1. Enlarge the templates 200%. Following the manufacturer's instructions and trace four sets of templates to make four pandas facing left. Reverse the templates and trace two sets of templates to make two pandas facing right.
2. Roughly cut out each template about a 1/4" outside the drawn lines. Refer to the quilt photo for color placement and press each template onto the back side of the appropriate fabric. Cut out each shape on the drawn lines.
3. Assemble each Panda on one 9 1/2" Fabric A square. Finish the raw edges of the appliques with a decorative stitch such as a satin or buttonhole stitch.
4. To make a flying geese block, place one 2" Fabric D square on the left side of one 2" x 3 1/2" Fabric C strip, right sides together (Fig. 1). Sew across the diagonal of the square from the upper right corner to the lower left corner (fig. 1). Flip open the triangle formed and press (fig. 2). Trim away the excess fabric from behind the triangle leaving a 1/4" seam allowance.
5. Place another 2" Fabric D square on the right side of the 2" x 3 1/2" Fabric D strip, right sides together (Fig. 3). Sew across the diagonal of the square from the upper left corner to the lower right corner (fig. 3). Flip open the triangle formed and press (fig. 4). Trim away the excess fabric from behind the triangle leaving a 1/4" seam allowance.
6. Repeat Steps 4-5 to make forty-eight Flying Geese blocks.
7. Follow Block One Layout and sew together six Appliquéed Panda Blocks.
8. Follow Block Two Layout and sew together six Pieced Panda Blocks.
9. Refer to the quilt layout and sew the blocks together into four rows of three blocks. Sew the rows together to make the quilt top.
