Block Construction

Make 30 - 12" blocks:

The blocks consist of four parts. Color placement is important in the design of this quilt. It would be helpful to pair up all the fabric pieces and organize them by part 1, 2, 3 & 4.

Draw a diagonal line from corner to corner on the back of all (360) 2 ½" x 2 ½" squares. 

For each part: Sew the strips into 3 pairs. Next, sew a square to the top of the each pair on the diagonal line, making sure the triangle is facing the right way. Cut off the excess and press. Sew the three pairs together.

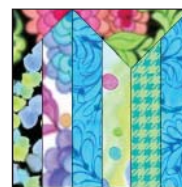

Part 1
Sew in pairs;
Black Stripe/White Floral
Pink Check/Pink Fern
Pink Feathers/Pink Dot

Part 2
Sew in pairs:
Black Fern/Aqua Dot
Green Feather/Aqua stripe

Part 4

Aqua Feather/Wavy Aqua
Aqua Check/Aqua Feather

Assemble the block as shown. Make 30.
Assemble the quilt in six rows of five blocks.

Borders

Piece the inner border strips to fit the sides and then the top and bottom of the quilt. Repeat with the outer border strips.
